Written request for a traffic signal upgrade on Route 6 and Middlebury Road.

6. Unfinished Business

a. Update on Taft School pedestrian crosswalks with Rt. 6.

This is a courtesy extended to Taft School as state highway traffic controls come under the jurisdiction of the State of Connecticut only. The update on the request by Taft School several months ago for semi-sophisticated traffic crossing controls on Route 6 in the vicinity of North St. and Woodruff Avenue suggested the state will install something less.

Motion: (Mark Tedesco sec. Gary Lafferty) to authorize the Police Chief to write letter of request to Connecticut DOT for upgrade of traffic signal at school crossing on Route 6 and Middlebury Road.
